Dear Cousin Edith. As I have heard nothing from you since the day you were at Ohio Pyle, I write a few lines to inquire whether you arrived home safely that Evening, and whether you felt very tired the next day, also to beg your pardon for the [illegible]

the Hospital)

I inclose a receipt for Cure of Severe Coughs of long standing. I have known a Number who have been Cured of very bad Coughs by its use

I thought that possibly you might give it a Trial for Jennie.

Hoping this will find you well & happy — I remain

Your Cousin
